1 year and 8 months

Agent operator - Distrigaz Sud Retele
Bucharest | Oil / Gas | Oil / Gas

- I introduce, process, transmit and keep track of data in the computer system, in accordance with the operational standards of the company;
- I check the documents received and I note the issues observed for their correction;
- I collaborate with the primary data providers in order to execute the works correctly and in time;
- I cooperate with key SAP users in case of errors in the functioning and operation of the computer system;
- I draw up periodic situations (monthly, quarterly, semi-annually or annually).

Acquired skills and knowledge:
SAP, Internet, Microsoft Excel

Jun 2018 - Sep 2018
4 months

Internship - Art Out Association
Bucharest | Graphics / Web design / DTP | IT / Telecom

I did the internship at the ArtOut association where:
-I've learned how to create a web page using HTML and CSS;
-I've learned the parts of a web page: header, navbar, carousel, table of contents, footer;
-I used Sublime Text as a code editor;
-I understand the tags used in HTML and their role;
-I've learned how to make a responsive page using Bootstrap.

Acquired skills and knowledge:
HTML, CSS, Bootstrap
